Declaration of Endorsement and Commitment to the European Charter of Researchers and the Code of Conduct for the Recruitment of Researchers

We, the Scientific and Research Centre for Fire Protection - National Research Institute (CNBOP-PIB) represented by its Director Dariusz Wróblewski, DSc PhD eng., having endorsed the 40 principles of Charter and Code, notify you about our commitment to get involved into the process of implementing the Human Resources Strategy for Researchers (HRS4R) in our institution.

The principles of the Charter and the Code, as well as of the Human Resources Strategy for Researchers are in the line with CNBOP-PIB policy aiming to increase institution's attractiveness to researchers by offering them a favorable working environment, enhancing the quality of research and innovation and boosting international mobility. Some of the general rules of the above mentioned documents have been already implemented and are common practice at our institute.

By implementing the Charter and the Code CNBOP-PIB intends to foster international collaboration and contribution to the development of an open and attractive European market for researchers. Moreover, the implementation of the HRS4R process will demonstrate that CNBOP-PIB is complying with the requirements of Article 32 of the Horizon 2020 Model Grant Agreement.

We believe that dissemination and implementation of the principles of the Charter and the Code, as well as the Human Resources Strategy will serve the best interests of Polish scientists and the progress of science in Poland.

Yours faithfully,
DYREKTOR CNBOP-PIB
